WOLFSON COLLEGE CAMBRIDGE

## Note for UK tax payers

The College can reclaim the basic rate UK tax paid on all gifts within the past four years. This means that every £100 donated is worth £125 and the difference is paid by HM Revenue & Customs, at no cost to you. Please complete your full name and home address details overleaf and sign the declaration below to make this possible.

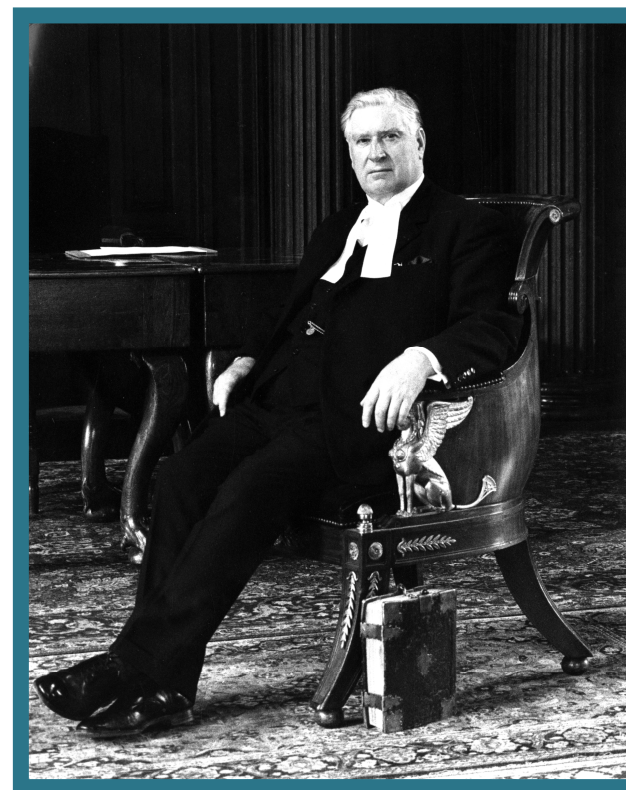

**I would like Wolfson College to treat all donations I have made in the past four years, and all donations I make from the date of this declaration until I notify you otherwise, as Gift Aid donations.**

- If you pay tax at the higher rate, you can claim further tax relief in your Self Assessment tax return.
- Please notify the College if you change your name or address.
- You can cancel this declaration at any time by notifying the College.

## The Jack King Fund

## Jack King MBE MA 1928-2007

Jack Naisbitt King gave outstanding services to Wolfson College as Founding Fellow (1965-1995), Bursar (1968-1979), Director of the Wolfson Course (1979-1994), Vice-President (1984-1988), Senior Fellow (1984-1995), and Honorary Fellow (1995-2007). He served as Senior Proctor of the University of Cambridge (1991-1992).

As a lasting legacy to Jack King, his family and Wolfson College intend to establish an academic prize in his name, to support the excellence in teaching and learning for which the College was founded, and in which Jack so passionately believed. The Jack King Prize would be awarded each year to one of Wolfson's outstanding students. If sufficient funds are raised, it might also be possible to establish a Jack King Bursary to support a student in need.

In 1977, Sir Leonard Wolfson said, "Jack King provided a remarkable synthesis of academic experience, good taste and commercial know-how." We do hope you will join us in supporting this Fund, as a fitting memorial to Jack's memory.
