2. A vote on a proposal to make, amend, or rescind a Statute or an Ordinance shall not be valid unless notification of the proposed alteration has been sent to the members of the Governing Body not later than the seventh day before the day on which the vote is taken; provided that such a vote shall not be invalid by virtue of the correction of an error in the form of words of the proposed alteration which, in the judgement of the President, is obvious or immaterial.
3. It shall be the duty of the Bursar, or of such other Fellow as the Governing Body may direct, to keep minutes of decisions of the Governing Body and to distribute them to members of the Governing Body.

Stat. A.V

THE COUNCIL

1. Without prejudice to the generality of the powers conferred by Statute on the Council for the management of the affairs of the College, the Council shall be authorised in the name of the College to exercise in relation to such affairs the following powers, being powers which for the avoidance of doubt it is desirable to mention expressly, namely:

- (a) to draft Ordinances for the good government of the College and amendments and rescissions of any such Ordinances, and to submit such draft Ordinances to the Governing Body for approval;
- (b) to establish Studentships for the encouragement of study and research in any branch of learning and to determine the number, conditions of tenure and emoluments of such Studentships;
- (c) to appoint all College Officers, other than the President and the Vice-President, to determine their stipends or salaries as appropriate, and to dismiss them, including members of the academic staff, subject to the provisions of Statute H in the case of College Officers defined as members of the academic staff in Ordinances made under Statute H;
- (d) to appoint such persons other than College Officers, including members of the academic staff, for the performance of such duties in the College as the Council considers appropriate, to determine their stipends or salaries, and to dismiss them, subject to the provisions of Statute H in the case of members of the academic staff;
- (e) to do any act which by the University Statutes or otherwise is directed or authorised to be done by the College;
- (f) to make rules governing its own procedure;
- (g) to appoint Committees, whose membership need not be restricted to members of the Council or to Fellows, and, subject to the provisions of the Statutes and Ordinances, to delegate to such Committees such power as the Council may from time to time determine.

2. No Fellow shall be eligible for election to the Council under Statute A, V, 3(b) unless a paper, signed by two members of the Governing Body, nominating the Fellow as a candidate and certifying that he or she has consented to the nomination, has been received by the President not later than the seventh day before the day appointed for the election or bye-election. The President shall announce without delay all nominations received in accordance with this Ordinance.

3. If the number of candidates duly nominated does not exceed the number of vacancies to be filled, the President shall declare those nominated to have been elected.

4. If the number of candidates duly nominated exceeds the number of vacancies to be filled, a vote shall be taken. Voting shall take place at a meeting of the Governing Body. Each elector present shall have as many votes as there are places to be filled and electors shall cast their votes by putting a mark on the voting paper against the name of each candidate for whom they wish to vote. The President, or the Fellow presiding in his or her absence, shall conduct the count.

5.
 - (a) The candidate or candidates (according to the number of places to be filled) who receives or receive most votes shall be declared to have been elected.
 - (b) If, owing to a tie between two or more candidates, one of the places cannot be filled, the President, or the Fellow presiding in his or her absence, shall be entitled to give a casting vote.
 - (c) If, owing to a tie between three or more candidates, two or more places cannot be filled, the President, or the Fellow presiding in his or her absence, shall be entitled to give a casting vote for such number of the candidates as equals the number of places remaining to be filled.
 - (d) If, when there is a tie and the President, or the Fellow presiding in his or her absence, decides not to give a casting vote or casting votes in accordance with (b) or (c), there shall be a further vote for the places remaining to be filled between the tied candidates.
 - (e) If, after a further vote, one or more places cannot be filled owing to a tie between two or more candidates, the President, or the Fellow presiding in his or her absence, shall give a casting vote for such number of the candidates as equals the number of places remaining to be filled.
6. Five of the members in class (b) of Statute A, V, 3 shall be elected annually in the Easter Term to serve for two years from 1 October following and shall be eligible for re-election for one further term of two years; provided that any member in class (b) who ceases to be a member of the Governing Body shall thereupon cease to be a member of the Council. If at the end of a Fellow's period of tenure as a member in class (b) he or she has been a member in that class continuously for four years or more, he or she shall not be eligible for re-election until two years have elapsed after such period of tenure.
7. The members in class (c) of Statute A, V, 3 shall be elected annually to serve for one year and shall be eligible for re-election; provided that any member in class (c) who ceases to be a student shall thereupon cease to be a member of the Council. They shall be the elected President of the Association of the Students of the College and two other elected members of the Committee selected by the President in consultation with the Committee.
8. If an elected member in class (b) vacates his or her place on the Council, or becomes a member *ex officio*, a bye-election shall be held at the next Ordinary meeting of the Governing Body. A Fellow elected in a bye-election shall hold office for the remainder of the period for which the vacating member was elected.
9. If an elected member of the Council fails to attend three consecutive ordinary meetings of the Council he or she shall cease to be a member of the Council unless the cause of his or her absence has been declared sufficient by the Council.
10. The members of the Council will adhere to the Policy for the Management of Conflicts of Interest attached as an appendix to this Ordinance.

Appendix to Ordinance 10 relating to Stat. A.V (THE COUNCIL)Policy for the Management of Conflicts of Interest1. Material interests

- (a) A material interest is any matter which may influence the judgment of the person possessing it, or may reasonably appear as capable of influencing that person's judgment, so that the judgment may not be, or may not appear to be, exercised wholly and exclusively in the interests of the College.
- (b) But an interest shall not be a material interest unless the person having the interest either knew about it or should reasonably have been aware of it.
- (c) Any position as a company director or charity trustee shall not constitute a material interest unless there is a reasonable possibility that the company or the charity, as the case may be, may be engaged in some business, appeal, or transaction involving the College.
- (d) If the President considers that any member of the College Council may have a material interest in an item of business, then the President may refer the matter to the College Council, who shall, in the member's absence but after hearing his or her views, determine the matter. The determination of the College Council shall be binding on the member concerned.

2. Excluded interests

- (a) An excluded interest is a material interest which either
 - (i) arises from the holding of an office or position in the College, where the other persons holding such an office or position in the College have a similar interest; or
 - (ii) arises from membership of a Faculty or Department in the University, or the holding of an office or position in the University, where the other members of the Faculty or Department or the other persons holding such an office or position in the University, as the case may be, have a similar interest.
- (b) In particular, an interest which arises from a general review of College stipends is excluded.
- (c) A person's interest in his or her election or re-election to a Fellowship or appointment or re-appointment to any paid office or position in the College is not excluded, but matters concerning appointment or re-appointment to any unpaid position in the College are excluded.
- (d) In relation to an item of business and to any member, the College Council may decide, in the member's absence but after hearing his or her views, that, in variation of the above rules, a material interest affecting the member should not be treated as an excluded interest.

3. Register of Interests

- (a) The Bursar shall maintain a Register of Interests of members of the College Council, into which shall be entered such information as may be required by these rules or by Ordinance or as may reasonably be requested by the Bursar.
- (b) The Register of Interests shall include a statement of membership of any Faculty or Department in the University, and the holding of any office or position in the University. It shall also include any other matters as may be specified by the College Council by Ordinance.
- (c) The Bursar shall seek information for entry into the Register of Interests from members of the College Council when they become members, and also annually. Members of the College Council shall notify the Bursar of changes in their information relevant to the Register of Interests as they occur.
- (d) The Register of Interests shall be available for inspection in the Bursar's office.

4. Declaration of Interests

- (a) Each agenda for a meeting of the College Council shall contain an early item "Declaration of Interests".
- (b) A member of the College Council who has a material interest, not being an excluded interest, in an item of business before the College Council shall declare that fact on each occasion that the business is under consideration. But that shall not apply to business solely for report which is not discussed by the College Council.
- (c) A member of the College Council declaring an interest shall withdraw from any part of a meeting at which the business is under consideration, and shall not speak or vote on the matter.
- (d) But if the interest is not a pecuniary interest, then the College Council may resolve that the member may remain present, and may further resolve to permit the member to speak or to vote on the matter.
- (e) Where a member withdraws from a meeting in accordance with Rule 4(c), that fact shall be recorded in the minutes of the meeting. Any resolution of the College Council under Rule 4(d) shall be recorded in the minutes of the meeting at which it is made.

5. Committees and other bodies

- (a) The above rules shall apply with necessary modifications to committees, working parties and other bodies within the College, as they apply to the College Council.
- (b) But Rules 1(d), 2(d) and 3 shall not apply, and any other rule may be disapplied either generally or for specified items of business by decision of the College Council.

The Presiding Officer shall be responsible for calling and chairing all Special Meetings relating to the election of the President.
2. Before the end of the tenure of the current President or within fourteen days of the notification, or occurrence, of a vacancy in the office of President other than by expiry of the President's tenure, the Presiding Officer shall give notice of a Special Meeting of the Governing Body in accordance with Statute B, I, 2. Such a meeting shall determine the timetable and process for the election of the next President. The meeting shall be held on a day in Full Term and at least fourteen days' notice of the meeting shall be given to all members of the Governing Body.
3. At the Special Meeting convened in accordance with Ordinance 2 above decisions shall be taken on the timetable and each of its constituent stages for the election of a President, including setting the date of the Election Meeting; and on the process to be adopted therefor, including the process for determining a list of candidates to put forward to the Governing Body to vote on at the Election Meeting.
4. To achieve its purpose of agreeing the timetable and process for the election of the next President the Special Meeting convened in accordance with Ordinance 2 above may be adjourned to a further date agreed by the meeting, and any decision to be taken under Ordinance 3 above may be taken at the adjourned session.
5. Between the Special Meeting convened in accordance with Ordinance 2 above and the Election Meeting, the Presiding Officer may update and consult with the Governing Body at Ordinary Meetings of the Governing Body, and may also call further Special Meetings for the same purpose.
6. At the Election Meeting the election shall be conducted according to the Single Transferable Vote system adopted by the University, as published from time to time in University Ordinances. The method of deciding how to break any tie which may arise at any stage of the transferable voting process shall have been determined in advance at the Special Meeting specified in Ordinances 2 and 3 above.
7. If at the Election Meeting there is only one candidate, the Governing Body shall decide by a majority vote whether to vote on that candidate as President or to defer an election and extend the process. If the Governing Body decides to vote on that candidate and he or she receives a majority vote of those present and voting he or she shall be elected President. If the Governing Body decides to vote on that candidate and he or she does not receive a majority vote of those present and voting, the process will be extended. If the outcome is an extension of the election process, the Presiding Officer will announce the date of a second Election Meeting. Candidates for election at a second Election Meeting will be selected by the Council. The process described in sections 6 and 7 of this Ordinance will be repeated until a candidate is elected.
8. A candidate may withdraw his or her candidature at any time before the day of the Election Meeting by giving notice in writing to the Presiding Officer, who, upon receipt of such notice, shall inform the Governing Body without delay.

9. The new President shall take office immediately upon election if a vacancy in the office of President exists, or on the day following the day on which the end of tenure or resignation of the outgoing President takes effect, as the case may be.

PRESIDENT'S SABBATICAL LEAVE

1. If the President holds a University office listed in Schedule C (I) 1 under Special Ordinance C (I) of the University's Statutes and Ordinances, he or she may request the Council to grant sabbatical leave from discharging the duties of the Office of President for a term to coincide with the leave granted by the University. The President may request one term's sabbatical leave from the duties of office for every six terms of service completed in the period before the start of the proposed sabbatical leave. Such a request shall be made to the Council in writing at the same time as any request to the University, and not later than six months before the start of the proposed sabbatical leave. Two consecutive terms' sabbatical leave may not be requested, nor may two terms in any one academical year. A request for sabbatical leave in the final year of office shall not normally be granted.

2. The Council shall upon receiving such a request consider all relevant circumstances in order to be satisfied that the duties of the Office of President shall be discharged satisfactorily in his or her absence on sabbatical leave. If the Council is so satisfied, it shall confirm its acceptance of the President's request. If it is not so satisfied, it shall explain to the President its reasons for not granting the request, and may suggest alternative arrangements for such sabbatical leave, by varying its timing or length or otherwise.

2. The Vice-President shall refer such a complaint to the Governing Body exclusive of the President, the members making the complaint, and any observers. If the Governing Body determines by a majority vote of those present that the complaint does not raise a *prima facie* case, no further action shall be taken upon the complaint.

3. If it appears to the Governing Body exclusive of the President, the members making the complaint, and any observers, on the material presented, that the complaint raises a *prima facie* case which could, if proved, constitute good cause for the dismissal or removal of the President from office, the Governing Body shall appoint a Tribunal to hear and determine the complaint and shall relieve the President from performing his or her duties until such time as the decision set out in Ordinance 6 is reached. A Tribunal so appointed shall consist of three persons who are not Fellows, other than Honorary Fellows, and who are not employed by the College, as follows:

- (a) one person who holds, or has held, high judicial office, or who is a barrister or solicitor of at least ten years' standing, who shall chair the Tribunal; and
- (b) two other persons.

4. The Tribunal shall send its decision in writing on the complaint, together with its findings of fact and the reasons for its decision, to the President and the Vice-President. The Tribunal shall draw attention to the period of time within which any appeal should be instituted by ensuring that a copy of any relevant Ordinances accompanies the notification of its decision sent to the President.
5. If the Tribunal finds that the complaint constitutes good cause for dismissal, the Vice-President, after consulting the Governing Body at a meeting excluding the President and any observers, shall dismiss the President unless the Governing Body decides on an alternative course of action. In all other cases, the President's dispensation from performing his or her duties will end and he or she will resume the duties of President.
6. The President may institute an appeal against dismissal to the Visitor by setting out in writing the grounds of the appeal. The Visitor may appoint a deputy to hear an appeal. A notice of appeal shall be served within twenty-eight days of the date on which the notice of dismissal was sent to the President; provided that the person appointed to hear an appeal shall have power to hear an appeal commenced after that date if he or she considers that justice and fairness so require in the circumstances of the case.
7. For the purposes of the removal of the President for incapacity on medical grounds the provisions of Statute H and its related Ordinances shall have effect, provided that the Vice-President shall perform any duty or exercise any power there assigned to the President.
8. For the purposes of these Ordinances relating to Chapter B.IV, references to the Vice-President shall, if the Vice-President is not in residence, or is incapacitated by illness or otherwise, be construed as referring to the senior Fellow who is a member of the Council.
